CAPABILITY STATEMENT · SANI-CONSULT DESIGN GMBH

Bathroom refurbishment, delivered to one standard.

Sani-Consult Design GmbH specialises in refurbishing hotel bathrooms in live, operating properties across Europe. We work as a single accountable partner from specification through to a clean, documented handover — so that room 250 meets the same standard as room 1. New-build projects on request.

WHAT WE DELIVER

01

Planning

Layouts, specifications, finishes and cost planning for buildable hotel bathrooms.

02

Procurement

Sanitaryware, surfaces and logistics coordinated through one accountable partner.

03

Installation

Experienced on-site teams working room by room with disciplined scheduling.

04

Handover

Quality checks, documentation and a clean handover ready for hotel operations.

WE FIT INTO THE TEAM YOU ALREADY HAVE

- Main contractors
- Quantity surveyors
- Project managers
- Architects and designers
- Hotel operations teams
- Other trades on site

International project experience. One consistent quality standard.
