

Bathroom refurbishment, delivered to one standard.

Sani-Consult Design GmbH specialises in refurbishing hotel bathrooms in live, operating properties across Europe. We work as a single accountable partner from specification through to a clean, documented handover — so that room 250 meets the same standard as room 1. New-build projects on request.

2,000+ bathrooms refurbished	30+ hotel properties	4 countries with delivered projects	20+ years of experience
--	--------------------------------	---	-----------------------------------

WHAT WE DELIVER

01 Planning Layouts, specifications, finishes and cost planning for buildable hotel bathrooms.	02 Procurement Sanitaryware, surfaces and logistics coordinated through one accountable partner.
03 Installation Experienced on-site teams working room by room with disciplined scheduling.	04 Handover Quality checks, documentation and a clean handover ready for hotel operations.

WE FIT INTO THE TEAM YOU ALREADY HAVE

Main contractors	Quantity surveyors	Project managers	Architects and designers
Hotel operations teams	Other trades on site		

International project experience.
One consistent quality standard.
